## PROFILE

As an ambitious and skilled Full Stack Developer with one year of experience at TechRitzy Pvt Ltd, I have honed my expertise in Python, Django, HTML, CSS, JavaScript, React, MySQL, and Bootstrap. My journey at TechRitzy allowed me to gain hands-on experience in working on the Cloud Kitchen website and successfully developing and deploying the online clothing shopping website named GreatCart . My passion for continuous improvement has led me to currently focus on learning DevOps, further enhancing my skill set and ensuring seamless development and deployment processes.

## WORK EXPERIENCE

FULL STACK DEVELOPER

**TechRitzy Pvt. Ltd.**

*September 2022 - Present*

### Responsibilities:

- Developed and maintained dynamic web applications using Python, Django, HTML, CSS, and JavaScript.
- Contributed to the front-end development with React and Bootstrap to create user-friendly interfaces.
- Utilized AWS services to deploy and manage cloud-based applications, including the successful deployment of GreatCart, an online clothing shopping website.
- Collaborated with cross-functional teams to ensure the efficient development and deployment of the Cloud Kitchen website.
- Demonstrated problem-solving skills to resolve complex technical issues, leading to enhanced functionality and user experience.
- Actively participated in code reviews and provided constructive feedback to improve code quality and maintain best practices.
